WHAT IS YOUTH FEST?

Youth Fest connects Qatar's young people directly with the organisations, industries, communities and opportunities shaping their future.

This is not a festival where youth only attend. They participate, create, compete, learn, perform, lead and access real pathways beyond the event.

YOUTH

Young people primarily aged 13–19 looking to discover, learn, connect and participate.

ORGANISATIONS

Institutions, companies and communities that can create meaningful opportunities for youth.

COMMUNITY

Families, educators and the wider public supporting Qatar's next generation.

52 VOLUNTEERS	41 MEDIA FEATURES	280K+ IMPRESSIONS

BUILD THE FESTIVAL

BUILD YOUTH FEST WITH US

Five ways in. Pick the one that fits your organisation.

01	OWN A SPACE	Create a dedicated festival presence where young people can discover your organisation, programmes and opportunities.
02	DELIVER CONTENT	Lead a workshop, masterclass, conversation, competition, performance or practical learning experience.
03	CREATE AN ACTIVATION	Build an interactive experience young people can participate in, complete or contribute to.
04	OPEN A PATHWAY	Offer a next step after Youth Fest: mentorship, volunteering, placement, membership, training, competition entry or another opportunity.
05	ENABLE DELIVERY	Support the infrastructure that makes the festival possible through technology, production, logistics, equipment, media or other in-kind resources.

CONTRIBUTION-LED, IN KIND

Every collaboration is a contribution: expertise, programmes, spaces, services or resources. Youth Fest is not structured around cash sponsorship packages.
